"Consistently providing outstanding service to our clients"

Asking Price £280,000

The Property

An exceptional opportunity to purchase one of just eight brand new homes, offering all the advantages of a newly built property within a much smaller and more exclusive development. Thoughtfully designed for modern living, this attractive detached home combines contemporary finishes, practical accommodation and excellent energy efficiency, with an EPC rating of B.

The welcoming entrance hall leads through to a modern fitted kitchen with integrated appliances and space for dining, creating a sociable setting for everyday family life and entertaining. To the rear is a generous lounge, filled with natural light and offering direct access to the enclosed rear garden, along with a useful built in storage cupboard. A convenient ground floor cloakroom completes the downstairs accommodation.

Upstairs, the main bedroom benefits from its own contemporary ensuite shower room, while two further well proportioned bedrooms are served by a stylish family bathroom. The layout has been designed to make excellent use of the available space while providing comfortable accommodation for couples, families or those needing a home office.

Energy efficiency has been an important consideration, with the property benefiting from an air source heat pump and an EPC rating of B, helping to provide a modern and efficient approach to heating. Buyers will also have the added reassurance of a new build warranty.

Outside, the property enjoys a generous enclosed rear garden, which will be seeded, providing a blank canvas for the new owner to create their own outdoor space. To the front is a private driveway providing off road parking, together with a garage offering further parking or useful storage.

With only eight homes forming the development, this is an excellent opportunity for buyers wanting the convenience and efficiency of a new build without the scale or feel of a large housing estate. Early viewing is highly recommended.
