The Property

An exceptional two-bedroom townhouse within the private gated setting of The Mews, this bespoke 2022 renovation stands apart thanks to its unusual multi-level layout, premium finish and two separate outdoor spaces. Beautifully presented throughout, the property combines contemporary design with impressive practicality, including oak internal doors, fitted blinds, excellent built-in storage and professionally installed hard-wired Ethernet points to the living area and bedrooms.

At the heart of the home is a high-specification open-plan kitchen, living and dining space, complete with integrated Bosch appliances including an oven, induction hob, extractor, dishwasher and washer/dryer, together with an integrated fridge/freezer. French doors open onto a private front balcony, while the accommodation also provides two bedrooms, with the main bedroom benefiting from an en-suite, alongside a separate family shower room and additional WC.

A real standout feature is the large private roof terrace, spanning the footprint of the property and accessed via an electrically operated opening skylight. Fully decked and equipped with lighting and power, it creates an impressive additional entertaining and relaxation space rarely found within a property of this type. Residents also enjoy approximately 8.4 acres of landscaped communal grounds, allocated parking and the security of a private gated development.

The property also presents an attractive proposition for investors, currently achieving a proven rental income of £1,500 pcm, equivalent to £18,000 per annum.
